## Arizona Rock Products Association News Release

**August 1st, 2003 – *For Immediate Distribution***

---

Tucson, Arizona – Mount Lemmon Fire Truck Relief Fund

The Southern Chapter of the Arizona Rock Product Association raised \$7000.00 dollars to assist the Mount Lemmon Fire Department in their purchase of a new fire truck. The truck selected, but did not arrive in time to help fight the devastation that claimed many homes and businesses. The check was presented at noon to the fire department and Channel 9, KGUN, at P.F. Chang's on River Road just west of Campbell in Tucson. The truck was on site for ARPA members to have a closer look. Listed below are the companies that gave to this worthwhile project.

ARPA would like to extend a huge thank you for being exemplary members and representatives of our organization. A special thanks goes to Mike Smith of Tucson Ready Mix for all of his organization on behalf of Southern ARPA. Even though you do not do these things for the recognition, the work you do does not go unnoticed by your community. This event was certainly no exception. We appreciate your time and professionalism. Thanks for all you do to strengthen our association and give back to your communities.

*For nearly 50 years, the Arizona Rock Products Association (ARPA) has been providing representation for over 55 member companies involved with the production of aggregates, asphaltic concrete, ready mix concrete, asphalt, lime products, and portland cement. Our members, along with over 85 associate members providing related transportation, contracting, and consulting services, make ARPA one of the most influential public and private policy advocates in Arizona today*
