ARPA Participates In Honoring A Local Citizen Servant and Military Veteran

Peoria, Arizona –

A special thanks to Peoria Mayor Carlat, City of Peoria staff, Mary Lynn McCord, ARPA members, ASU's Dr. Jim Ernzen and staff, as well as friends and family for being a part of a special bench dedication in honor of the late Joe McCord.

For over 55 years, the Arizona Rock Products Association (ARPA) has been providing representation for 42 member companies involved with the production of aggregates, asphaltic concrete, ready mix concrete, asphalt, lime products, and portland cement. Our producer members, along with over 53 associate members provide related transportation, contracting, and consulting services, make ARPA one of the most influential public and private policy advocates in Arizona today.
