### Arizona Rock Products Association News Release October 21, 2016

---

Phoenix, Arizona – The 7th Annual Arizona State Mine Inspector (ASMI) Fall Mine Conference was held October 13, 2016 at The Falls Event Center in Gilbert. Members were awarded for their outstanding safety records for the year 2015. Special guests included Joe Casper with the National Stone Sand and Gravel Association; Adele Abrams with the Law Office of Adele Abrams, P.C.; David James with FNF Construction; Jessie Atencio with the Arizona Department of Occupational Safety and Health; and Jacob Rukavina with Health Safety and Environmental. Arizona State Mine Inspector, Joe Hart presented awards to participant members for outstanding achievements who lead our industry in safety and mine reclamation. Arizona Rock Products is proud to recognize the following in their achievements:

*For almost 60 years, the Arizona Rock Products Association (ARPA) has served as the oldest mining association in Arizona and been providing representation for 46 member companies involved with the production of aggregates, asphaltic concrete, ready mix concrete, asphalt, lime products, and portland cement. Our 48 producer members, along with more than 59 associate members who provide related transportation, contracting, and consulting services, make ARPA one of the most influential public and private policy advocates in Arizona today.*
